

THE HEDGES MAINTENANCE ASSISTANT/GARDENER

The Hedges is a rustic Adirondack resort with two lodges, over a dozen cabins, and a central dining room built privately in the late 1800s and opened to the public a century ago. It is a gorgeous setting, located on Blue Mountain Lake in the Adirondack Park of northern New York State. The grounds include beautiful flower gardens, two swimming areas, a clay tennis court, and a boathouse with various styles of watercraft. The Hedges is known for its beautiful accommodations, high-quality meals, natural surroundings, and excellent service. Open each year from early June until mid-October, The Hedges welcomes between 20 and 40 families each week and serves as many as 110 dinners each night as well as made-to-order breakfasts.
