**The Hedges** is a rustic Adirondack resort with two lodges, more than a dozen cabins, and a central dining room was built privately in the late 1800s and opened to the public a century ago. It is a gorgeous setting located on Blue Mountain Lake in the Adirondack Park of northern New York State. The grounds include beautiful flower gardens, two swimming areas, a clay tennis court, and a boathouse with various styles of watercraft. The Hedges is known for its beautiful accommodations, high-quality meals, natural surroundings, and excellent service. Open each year from early June until mid-October, The Hedges welcomes between 20 and 40 families each week, and serves as many as 110 dinners each night as well as made-to-order breakfasts. These guests, many of whom have been coming to The Hedges for decades, enjoy hiking, boating, swimming, tennis, museums and other nearby activities.

The Hedges provides a friendly work environment. Seasonal Dishwashers fellow staff members and The Hedges management throughout the June-October season.

The Hedges will make allowances for the need to complete final exams or to return to college for the start of the academic year.
